

CLIMB-N-CHALLENGE™

Vertical Ropes Course

Climb-N-Challenge™

A visually stunning hybrid between a vertical climbing tower and ropes course.

The Climb-N-Challenge™ takes the proven format of the vertical climbing tower and raises the level of adventure by adding ropes course elements. Climbers must navigate up-and-over 3 levels, each increasingly more difficult than the previous. The Tremor Ladder, Cargo Net, Tire Climb, and Rope Climb can be configured to preference to create a fun activity for all ages.
